

SMART kapp iQ Pro

Display. Whiteboard. Videoconference hub.

Everything you need is one touch away

SMART kapp iQ Pro™ gives one-touch access to a whiteboard, a web browser and wireless screen sharing, all without the need for external PC. You can write over any file you bring up on the display, and save your notes. Plus, plug in your laptop to easily videoconference.

Key Features

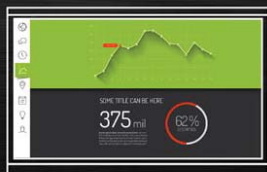

Contribute from anywhere

Writing on the display with digital pens is as easy as paper. Anyone you invite, up to 250 worldwide, can see and contribute to everything on the display using their devices.

Ultra HD Display

kapp iQ Pro fits all sorts of spaces. Show presentations, videos and anything else you can display on your laptop on your kapp iQ Pro in sharp Ultra HD resolution.

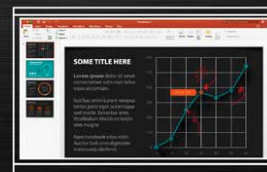

Endless workspace

Imagine a whiteboard with no edge. On kapp iQ Pro you can write, add images and upload files on to one screen that expands as you work.

Write all over anything

PDF, PowerPoint, Excel, Autodesk. Even more. Now you can write over almost anything you display on kapp iQ Pro and save your work into the same file.

- Integrates with Microsoft Exchange and Office 365.
- See who contributed what to Adobe Reader documents.
- Zoom in, zoom out and move the screen with your hands.
- Supports many design and engineering applications, like Adobe Illustrator, Autodesk Navisworks and Tekla BIMsight.
- Save and organize notes on your devices. Send as PDFs or JPEGs.
- Instantly access the internet with built-in web browser.

- Share content on the display over the same WiFi network from a variety of personal devices.
- Connect a guest PC or other multimedia devices to the display.
- Protect sensitive work with encrypted connections.
- The panoramic whiteboard scrolls left to right, giving you more room to work.
- ENERGY STAR® certified to save energy, lowering your total cost of ownership (*kapp iQ Pro 75" only*)

SMART Meeting Pro® software included

This collaboration software allows you to bring files, whatever application they are in, into a virtually unlimited workspace where you can write over them on the display and save your notes to share afterward. Includes 1 Room and 25 Personal software licenses.
