

SMART Board[®] MX series

Interactive displays with all the essential tools educators need at a great value, designed and built to last for years to come.

65" | 75" | 86"

Write effortlessly

HyPr Touch™ with Advanced IR provides more than twice the accuracy of traditional infrared technology for an intuitive, natural writing experience.

iQ embedded computing

Switch with a tap from delivering a lesson to writing on a whiteboard to surfing the internet – keeping students engaged.

Commercial grade

MX series is rated for 50,000 hours of reliable use and SMART's Accelerated Life Testing ensures less downtime and longer life.

FREE Learning Software Included

SMART Notebook *basic version*

Bonus 1-year SMART Learning Suite

FEATURING
iQ embedded computing

EXCLUSIVE
SMART Ink[®]

EXCLUSIVE
Simultaneous Tool Differentiation

Unparalleled Collaborative Experience

With 30 years of experience in education technology, SMART interactive displays are designed to support teaching approaches that affect learning outcomes.

Multiple students, tools and colors at the same time

Simultaneous Tool Differentiation frees multiple students to write, erase and move notes at the same time. **Object awareness™** detection automatically makes pens write, fingers move and palms erase.

Write and save notes directly into applications

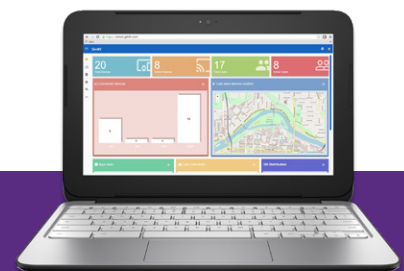

SMART Ink® software lets teachers write over videos and into **PDFs, Microsoft Office® files** and websites, then save notes in almost any file type. Convert notes to text and access spotlight, magnifier and screen shade tools.

Built to use. Built to last.

Durable and commercial-grade, SMART Board displays have received many safety, regulatory and environmental certifications, giving you peace of mind that they adhere to government or other regulatory requirements.

-  4K Ultra HD resolution
-  ENERGY STAR® certification
-  Accelerated Life Testing
-  Conflict-free materials and sourcing
-  LED rated for 50,000 hours
-  Regulatory and environmental certifications
-  Fully heat-tempered, anti-glare glass
-  SMART Assure warranty*
-  Silktouch™ frictionless surface

*Includes Advanced Hardware Replacement. Terms and conditions including access to Onsite Support varies by region. Contact your local reseller or distributor for information and visit smarttech.com/warranty

SMART Remote Management lets you efficiently maintain, secure and support all your devices – including SMART Board displays with iQ.

Engage students. Empower teachers.

Together with **SMART Learning Suite** software and **flexible computing** options, SMART Board displays give teachers endless ways to quickly create and deliver dynamic lessons.

SMART Learning Suite transforms static content into interactive lessons including collaborative workspaces, game-based activities and formative assessments.

Desktop experience

Teachers can connect their Windows or Mac® computer and deliver interactive SMART Notebook® lessons at the display. Time-saving activity and assessment templates are easy to customize for all grades and subjects.

Online experience

Teachers can add game-based and collaborative activities to a variety of file types and send lessons to student devices to complete individual handouts or work together in collaborative workspaces.

Flexible computing options put everything teachers need to seamlessly access and transition through a variety of lesson content in one place.

iQ Android™ experience

iQ provides teachers one-touch access to SMART Notebook lessons and collaboration tools including a whiteboard, web browser, apps library and native, wireless screen sharing.

Windows® experience

Give teachers access to Microsoft Office files and all their applications on a full Windows 10 Pro computer right at the display – available with a variety of Intel® Core™ processor options.

Chrome OS™ experience

Teachers can access the Google Play Store and their apps at the display, and interact with content including ink and touch powered by Object awareness – only with SMART Board displays.

Get the most out of your SMART solution

Your purchase is just the beginning. Our implementation services, professional learning and technical support resources help educators learn to use their SMART solutions, hone their technology skills and improve student learning outcomes.

Professional Learning

SMART provides complimentary professional learning plans, and online courses, certifications and webinars that cover both functional and pedagogical topics.

Support Services

Receive expert support from SMART, with the experience, knowledge, and resources to ensure a fast, effective technology implementation.

Technical Support

So much more than downloads and guides, SMART support has tons of resources to get you started and a thriving community of educators to tap into.
